## AMERICAN SHIP SUNK IN SAFETY ZONE; 7 AMERICANS PERISH

### HEALDTON WAS SUNK WITHOUT WARNING

AMSTERDAM, March 23.—The Handelsblad says that only six Americans among the survivors of the American steamer Healdton, adding that the so-called safe zone is shown by reports of the crew of the Healdton and crews of fishing boats. For safety's sake the Healdton took the northern route. On Wednesday a German submarine, without fully emerging, fired two torpedoes. Two boats got away but three containing 11 men, capsized and nearly all were drowned. The submarine left without trying to help. Thirteen Americans were on the Healdton.

**Captain Among Survivors.**  
LONDON, March 23.—Captain Christopher of the Healdton, is among the survivors, according to a Reuter dispatch from The Hague.

Chicago arrivals at the Palmetto on Thursday were W. H. Oliver and party, who are en route north from a wintering trip through Florida and Cuba.

### SEVERAL CASES IN POLICE COURT

Five negro gamblers, arrested by Policeman I. F. Humphries, were fined \$5 each by arraignment of bond by Judge H. T. Titus, in the city police court, this morning. The names of the negroes were Albert Payne, Jessie Blum, Willie Hise, C. H. Jones, John Berry.

God Taylor, well known as the cold deputy marshal of Midway, was brought into court on a charge of disorderly conduct by fighting with his wife. As neither member of the family was injured in the squabble, Taylor was discharged with a strong admonition to do better in the future.

### CAPT. BEN F. COLLIER BRINGS THE "ELI H" BACK TO DAYTONA

Capt. Ben F. Collier arrived Wednesday from Miami, bringing back to Daytona the "Eli H," which was owned by the late E. H. Hotchkiss and on board of which Mr. Hotchkiss died last Friday at Miami. Capt. Collier was operating the "Eli H" for Mr. Hotchkiss on a cruise down the coast at the time that the latter was seized with an attack of acute indigestion which caused his death.

### SHOLTZ PAYS \$2,500 FOR CANCELLATION OF \$10,000 GUARANTEE

At a special meeting of the City commissioners held yesterday afternoon the offer of Michael Sholtz on behalf of himself and assigns and the Central of Florida company and Volusia County Bridge company, to pay to the city of Daytona the cash sum of \$2,500 in lieu of the bond for \$10,000 for which they were sureties for the defunct Daytona Electric Light & Power company, was accepted by the commissioners.

The \$10,000 bond in question was put up by the former electric company as a guarantee that the terms of the company's franchise would be carried out. As the city officials believed that the bond was forfeited when the company went out of business, they declared the bond forfeited and demanded payment. The subsequent offer of \$2,500 cash by Mr. Sholtz was accepted rather than to involve the town into any long legal suit for the recovery of the bond.

The town of Daytona Beach took a similar action several weeks ago when it accepted the offer of Mr. Sholtz to pay \$1,000 and attorney's fees, in lieu of the \$5,000 bond which the neighboring town held in the same manner as Daytona.

If you see it in the News, it's so.

## Unveiling Tomorrow of Burgoyne Statue

Tomorrow morning residents of Daytona and vicinity and visitors in the city will gather at the Casino Burgoyne to witness the beautiful exercises at the unveiling of the Burgoyne monument which will occupy a central position on the plaza, directly in front of the main entrance to the building erected by the late Commodore for the pleasure and enjoyment of residents and visitors.

As a fitting tribute to Daytona's great friend and benefactor, who was extremely fond of children, school children to the number of 500 or more will participate in the exercises. The children will be assembled around the bronze statue which will be unveiled and crowned with a wreath of flowers by one of the young girls who will be presented with a souvenir from Mrs. Burgoyne. Mrs. Burgoyne has also arranged for a quantity of small flags to be carried by the children and has thoughtfully provided a box of

candy for each of the little ones, to be presented to them in the casino at the close of the unveiling exercises.

The ceremonies, in addition to the part taken by the children, who will sing "America" and the flag salute, will include dedication exercises by members of the Grand Army of the Republic, a "Military March" by the Tucker orchestra and addresses by Mayor C. M. Bingham and County Commissioner C. F. Burgman.

This handsome bronze bust of Commodore C. G. Burgoyne will be a prominent and enduring tribute to the man who did so much for Daytona and the comfort and pleasure of her people and the unveiling of the statue, which Mrs. Burgoyne desires to be an occasion of joy and happiness, will be an event of great interest and largely attended.

It is requested that the members of the G. A. R. report at Casino Burgoyne at 9:30 a. m.

### KAISER SUFFERING FROM A NERVOUS BREAKDOWN

## PRESIDENT WILSON AND CABINET-CONFER ON ADDRESS TO CONGRESS

### TWO MEN INVADE FORT WILLIAMS AND SHOOT GUARD

PORTLAND, Maine, March 23.—Private John Poor, a member of the coast artillery at Fort Williams, was shot and probably fatally wounded early today while attempting to capture two men who had made their way into the reservation despite a heavy guard and who were near one of the batteries of 12-inch guns. The men escaped.

### DAYTONA HIGH SCHOOL ANNUAL PLAY TO-NIGHT

The annual high school play to be produced in the New Daytona theatre this evening at 8:15 will, without doubt, be one of the best college comedies ever seen in Daytona. The student cast and the directors have worked long and faithfully to make this play even a greater success than the one staged last year. Those who attended the high school play last year will remember how much they enjoyed it. They are promised a still better treat tonight. Visitors and tourists in the city are urged to come out and help fill the theatre. A capacity audience will be an inspiration to the players. And the crowd promises to be large. The play is for the benefit of the public schools. Mr. Titus has been kind enough to give the use of his theatre free of charge, a courtesy greatly appreciated by both the teachers and the students of the city schools. Reserved seats may be secured at Hankins or at the door of the theatre just before the opening of the play.

### WARSHIPS LOSS TOTAL

850,000 TONS  
BERLIN, March 23.—The Overseas Agency has announced that the Entente loss in warships totals 850,000 tons.

### GRAVE RESTRICTIONS CONFRONTS WILSON

WASHINGTON, March 23.—President Wilson's address to Congress was taken up in a tentative form at today's cabinet meeting. Practically all secretaries were asked to bring material for the points on which it will touch. It is understood that the address will outline comprehensively the steps the president believes Congress should take to meet warlike operations of German submarines.

Meanwhile the president is to keep in touch with the army and navy preparations and he cancelled practically all engagements today, except one with Governor McCall, of Massachusetts, who wanted to confer as to the ways in which the state may co-operate with the Federal government.

**Situation Unchanged.**  
WASHINGTON, March 23.—The sinking of the American steamer Healdton with the probable loss of a score of lives, including a number of Americans, while another grave addition to the long list of German aggressions, cannot cause an immediate change in the situation, it is said here. The subject of co-operation with the Entente Allies in finances and munitions is being discussed in a tentative way.

### AUTOS NOT ALL GONE FINDS CHIEF FRENCH

Many people have remarked during the past few days about the fast decreasing number of automobiles on Beach street and other Daytona thoroughfares. In view of this, the following observations of Chief W. E. French, of the local fire department, will be of interest to the majority of Daytona people and visitors to the city.

Between the hours of 12:40 and 1:40, Thursday afternoon, Chief French counted 223 autos passing along Beach street at Orange avenue. Of these 129 were going south and 94 going north, the remainder turning into Orange or going across the South bridge. The numbers do not include autos which turned around at the corner.

Later in the day Chief French took a tally between 2:30 and 3:30, counting 377 automobiles in that time, 188 passing south and 189 going north.

## THE WEATHER

FOR FLORIDA: Partly cloudy to-  
night and Saturday; probably local  
rains; somewhat colder Saturday in  
north portion. Sunday fair. Moder-  
ate east to south winds, except fresh  
southwest to northwest over north-  
west portion.

The disturbance central over Colo-  
rado on the previous map has moved  
rapidly northeastward. It has given  
general rains from northeastern Texas  
to the upper Mississippi valley, the  
rain area extending eastward to por-  
tions of the south Atlantic section.  
Temperatures are much above the  
seasonal average from the Lakes to  
the Gulf, and the weather is generally  
warmer east of the Mississippi river  
due to the storm previously mentioned.  
The winds have shifted to westerly  
over the Plains states, where the  
weather is generally colder, the tem-  
perature being below freezing in  
southern Kansas. The winds are  
fresh southerly and increasing on the  
Gulf coast, and light to moderate on  
the south Atlantic coast. Unsettled  
conditions are indicated for this section  
tonight and Saturday—probably  
rain, somewhat colder Saturday.  
A. J. MITCHELL, Meteorologist.

## CARDS AT DESPLAND ON THURSDAY EVENING

On Thursday evening the regular  
weekly card party was held in the  
lobby at the Despland hotel, which  
was thoroughly enjoyed by the  
participants. Tables were arranged in  
the south-west wing of the spacious  
house, bridge and five hundred taking  
the form of diversion.  
In the bridge game prizes were  
won by W. C. Woodworth of Roches-  
ter, N. Y., Miss M. Shaw of Pat-  
erson, N. J., Mrs. E. D. Strong of Han-  
dolph, Va., and Miss L. Edgar of  
Hondale, Pa.  
Mrs. H. Coleman of Daytona, O.,  
was the winner of the first prize at  
five hundred, Robert Blair of Rich-  
field Park, N. J., and F. W. Grant  
of Havana, N. Y., the winners of the  
second and third prizes.  
During the evening fruit punch was  
served the players by the hotel ser-  
ving corps.

So Sudden, Too.  
Gerardine—(To you and me?) Ger-  
ardine—Is that a leap year proposal?

Spiritual Triumph.  
The guest who insists on the host  
that his allotment of beefsteak was  
delightfully center, but that the knife  
was a trade bill, provides an illustration  
of the often used expression, a  
triumph of the spirit over the flesh.

## Mrs. N. C. SEARS ENTERTAINS THE SANS SOUCI CLUB

POPULAR LADIES ORGANIZATION  
OF PENINSULA ENJOYS FINE  
MEETING AT MANSION ON THE  
RIVER FRONT.

The Sans Souci club enjoyed an interesting and pleasant afternoon at its regular session held with Mrs. N. C. Sears at her homelike mansion on Peninsula drive and the river front, lower Daytona Beach.

During the time of the business session, half of the officers were elected for the ensuing year the changes being made as follows: Mrs. Wallace, president; Mrs. T. Chamberlin, second vice-president; Mrs. Emma Freeman, corresponding secretary.

Also during the business hour Mrs. U. S. Shelly, John S. Barbe, W. F. Beckman were present and spoke to the club regarding the purchase of a plot of ground for a public park in Daytona Beach. This plot is located on Palmetto and Harvey streets and Hollywood avenue in the Fugate subdivision. It consists of 12 large building lots and is an ideal spot for the town croquet grounds, tennis courts and horseshoe grounds. The men made a proposition to the ladies of the club that each one pledge herself for the sum of \$50 toward the purchase of the lot which may be now obtained for \$5,000. The individual ladies of the club felt that they could not make such a promise without further consideration and accordingly took no action.

Then followed a very pleasant hour of literary and musical program with the following numbers:

Selections from "A Day in Venice" by Elhelbert Nevin—Palmetto orchestra.

"Love song" and "Good Night," and "The Hunt," duets by Misses Alice Briggs and Frances E. Sparber.

"Cathedral Chimes"—Palmetto orchestra.

"American Composers" paper by Mrs. Alice Wasson.

Selections from the "Sunny South"—Palmetto orchestra.

At the close of the afternoon's entertainment a social hour followed during which tasteful refreshments were served after which the guests departed for their homes.

## MABEL Q. STEVENS TO SPEAK AT BEACH METHODIST CHURCH

The Christian Forum of the Daytona Beach Methodist church has announced that Mabel Q. Stevens will be here for a three day lecture course and bible conference, the first lecture to take place next Sunday morning at 9:45 on the subject "Our Heritage in the Community church."

Mrs. Stevens will also speak Sunday evening giving one of her famous lectures. Monday afternoon at 3:00 her topic will be "Fulfilled Prophecies" and in the evening will be given a Palestine Pageant. Tuesday afternoon the lecture subject is to be "The Galilean Wedding" and on Tuesday evening Mrs. Stevens will present the "Passion Play" with stereopticon slides.

The officers of the forum believe that the coming of Mrs. Stevens is the greatest attraction that the forum has offered this year. Mrs. Stevens was here three years ago and such crowds went to see her that the church building was not large enough to accommodate them all. Not long ago she spoke to audiences in Atlantic City for 25 days in succession.

Rev. R. H. Lampkin again addressed the pupils of the Seabreeze-Daytona Beach public school this morning, giving an interesting 20-minute talk on "Physical Culture."

Rubber at Once Found Favor. Rubber was introduced into the United States in 1800, which by an odd coincidence, was the year of Charles Gooden's birth. Half a century later a Boston navigator brought from Brazil a number of pairs of boots which had been coated with the exuded milk of the rubber trees. Their popularity was immediate, on account of their imperviousness to water.

Absent-Minded. Her neighbors were discussing the character of a venerable woman whom they esteemed to be wise in her generation, but a young man said it struck him that she showed great lack of wisdom in one respect. "What is that, pray?" inquired one of the group. "Why," said the young man, "she always puts out her toes to catch soft water when it's raining hard."

## DAYTONA BEACH

About 310 people attended the banquet at the Methodist church last night. An excellent program of speakers took place after the supper was finished and lasted until between 9:00 and 10:00.

Rev. R. H. Lampkins, who is conducting a series of evangelistic services at the Daytona Christian church, is visiting at the home of Mr. and Mrs. Homer E. Wakefield, Peninsula drive, Daytona Beach.

The crowd at the public park, corner of Seabreeze avenue and Live Oak street, steadily thins out as the end of the winter approaches. A goodly number of those who have enjoyed the horseshoe games during the course of the winter are still left, however.

Mrs. Josephine Gage, who has been as usual spending the winter here, left recently on her return to her northern home in Sandwich, Ill., after a pleasant winter here. During the season Mrs. Gage went on a trip of several weeks to the west coast of the state, visiting the Gasparilla carnival. She hopes to return again next fall, to spend another winter at her Grandview avenue home.

E. L. Stewart, who has been spending the past week or ten days here at the home of Mrs. H. F. Stewart, on Seabreeze avenue and the river front, plans to leave for the north Monday.

Viscount W. C. Hida is the recently appointed Japanese ambassador to Russia.

OPEN AIR DANCING  
FOR NEXT THURSDAY  
NIGHT ON BEACH ST.

Spring carnival night, featuring an open air masquerade dance on Beach street, will be the magnet to draw thousands of persons to the business center of Daytona next Thursday night, March 29. Everybody is invited and are as welcome as the flowers in May. As it will be an open air affair the sky will be the limit. Arrangements have been perfected for the roping off of Beach street between Orange and Magnolia avenues and closing it to vehicle traffic. It will be an eventful night in Daytona. There will be an abundance of music with all of the local orchestras augmented by bands from Deland, St. Augustine and other neighboring points. If possible the Second Regiment band from Palatka, which has just returned from the border, will be brought to Daytona for the occasion. Suitable committees will be appointed immediately and every detail worked out so as to extract pleasures during every minute of the time Thursday night.

Pigs Are Dainty Eaters.  
Pigs, instead of being ready to eat anything, are among the most fastidious animals. Out of 575 plants, the goat eats 445 and refuses 120; sheep, out of 928 plants eat 487 and refuse 141; cows, out of 494 plants, eat 275 and refuse 218; horses, out of 474 plants eat 292 and refuse 212; while pigs, out of 243 plants, eat only 72 and refuse 171.

ROBIN HOOD AT  
MATINEE MUSICALE

Robin Hood was vividly analyzed Friday morning when Mrs. William Redwood Wharton led the forthrightly morning musicale at the Palmetto clubhouse under the direction of the club's department. The theme of this musical light opera, so thoroughly loved by all Americans and Europeans, was illustrated by both vocal instrumental and violin sections.

Mrs. Wharton interestingly told the story of the opera and introduced her subject by head color. Creditably assisting her were Mrs. S. H. Pierson, Miss F. H. Spaulding and Alice Briggs. Mrs. Wilcox Smith, Edward Scates and W. M. Manchester. Miss Kate M. Houghton accompanied upon the piano with a keen concentration and skill.

Mr. Manchester's song, "The Times Have Changed," was full of music, his splendid melodic voice filling forth the thrill of the song. Mrs. S. H. Pierson, whose soprano voice is very rounded and clear sang "When a Shadow Falls," which was well received. "O Promise Me," sung by Mrs. Wilson Ramsey in her rich contralto voice was very beautiful. Edward Scates, in a tenor voice with much expression sang "A Troubadour Song to His Love," receiving merited applause. The solo with quartette consisting of Mrs. Pierson, Miss Sparber, Mr. Manchester and Mr. Scates was beautifully rendered, which was followed by several Victrola selections ended the morning's event.
